**Who can take Davis Tech or Catalyst Center classes?** Typically, these programs are reserved for seniors. You need to be on track for graduation, do well in your classes, and have room in your schedule your senior year. Certain conditioning classes, if taken for the entire school year, can provide 0.5 Fit for Life credit.

**Does participating on a sports team give me PE credit?** You can earn 0.50 Lifetime Activity (PE) credit for varsity participation in a sport (grades 9-12) as long as it doesn't have a conditioning class associated with it.
